DESIGN

4.1 Make an interesting compositions using 3 basic shapes and color the same using primary colors.

Hint: Principles of Architecture – Symmetry

Color: Primary color – RED,BLUE and YELLOW. Refer Page no. 06 and 08

4.2 Using the shapes from the given object make an interesting composition and colour using Secondary colours.

Color: Secondary color – orange, Green and Violet .

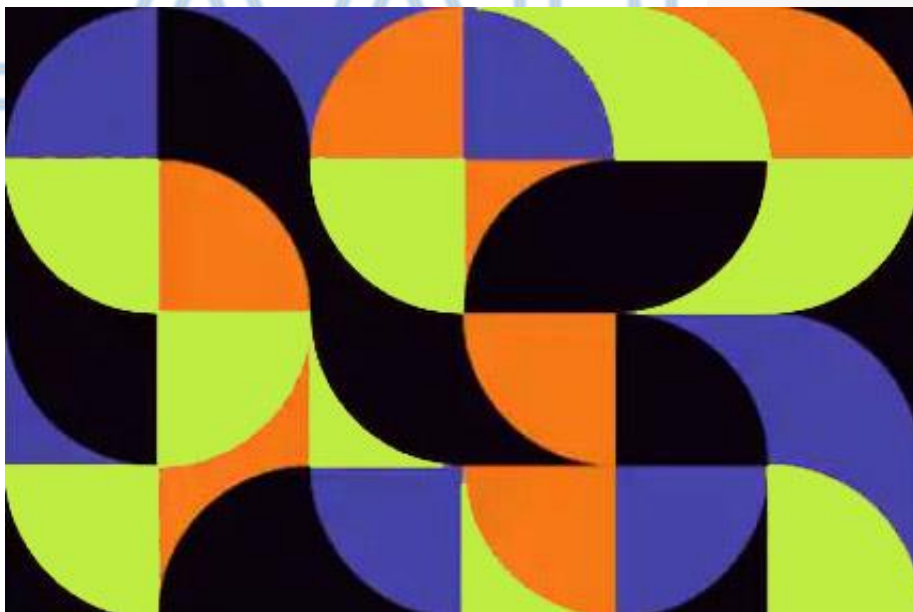

Refer Page no. 08

4.3 Composition using different shapes repeating minimum twice of varying proportions and colour the same using any colour scheme.

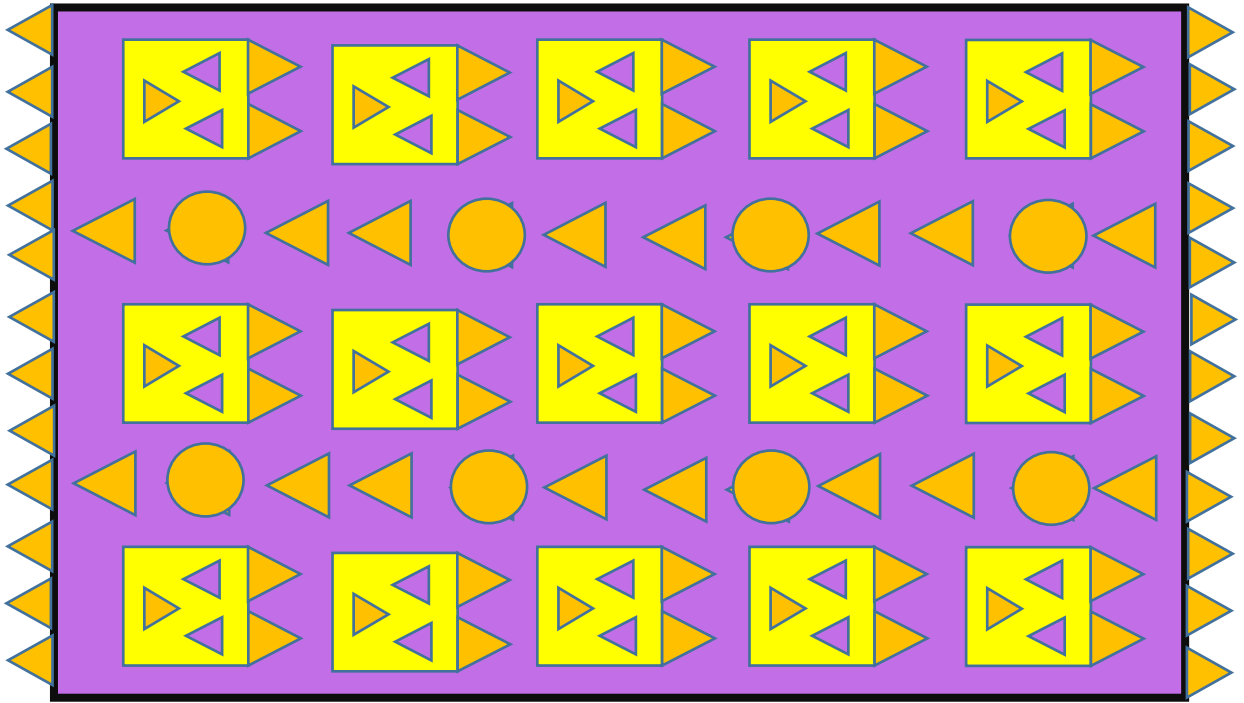

Hint: Principles of Architecture – Symmetry
Color Scheme: Warm colors. Refer Page no. 06 and 08

4.4 Imagine you are given a circular paper and that you can cut this circle by using cutter with only four strokes. With every stroke one piece is to be kept aside and the remaining paper is to be used for next stroke. Not whatever shapes have been cut, compose them in interesting arrangement and colour the same using any colour scheme.

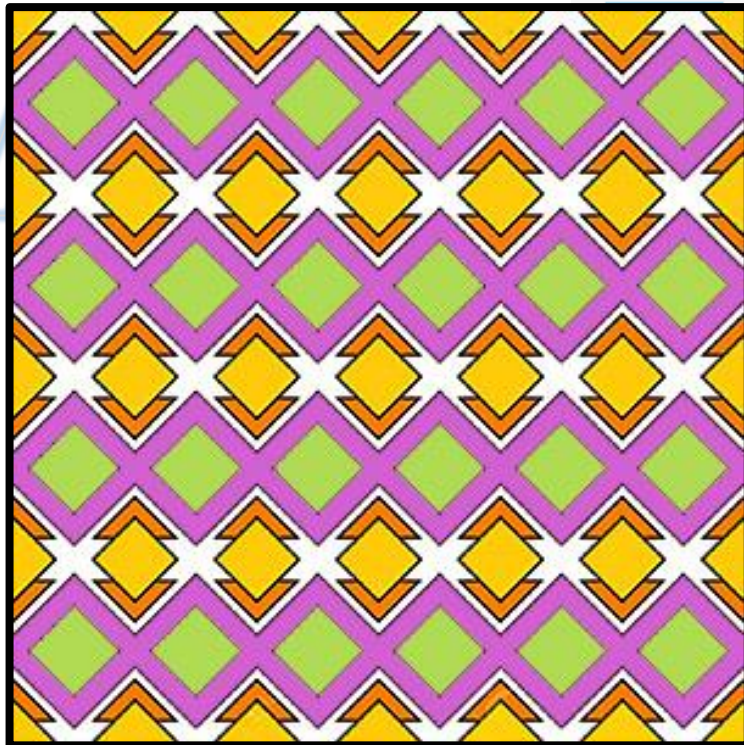

Color: Triad– orange, Green and Violet .
Refer Page no. 08

4.5 Create a pattern for a bedspread in kids bed room using 3 basic shapes following an interesting color scheme.

Hint: Complimentary colours – Orange, violet and Yellow.
Refer Page no. 08

4.6 Create pattern using given shapes of varying sizes and can be overlapped. Colour using secondary colours.

Hint: Secondary color – orange, Green and Violet .
Refer Page no. 08

4.7 Use the given shapes, make an interesting composition following complementary colour scheme any four colours. Shapes can be repeated multiple times and free to use proportions.(Ellipse, Square, Circle, triangle)

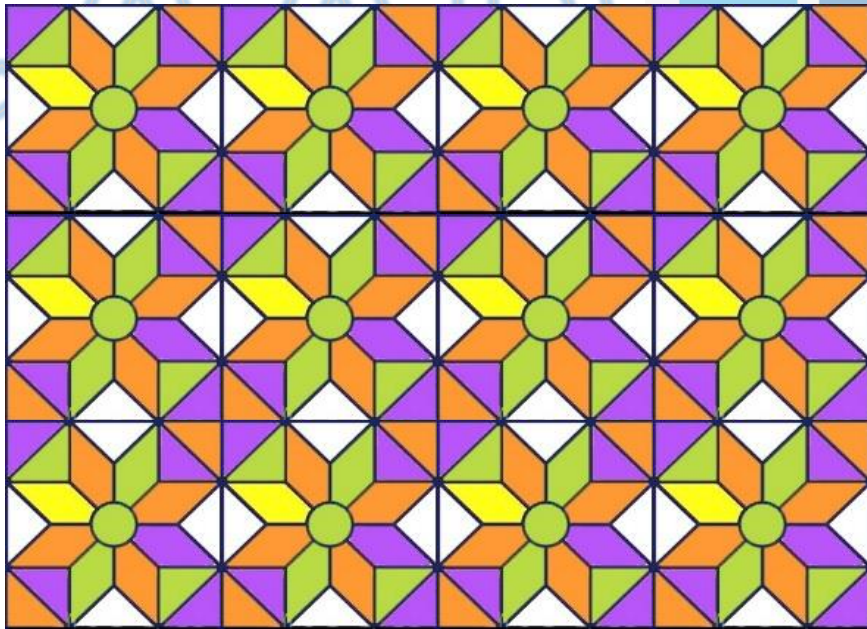

Hint: Principles of Architecture – Symmetry , Repetition

Color: Complementary color – Red and Green, blue and Yellow, Violet and Orange

Refer Page no. 06 and 08

4.8 Create pattern using shapes of varying sizes from given shapes. Shapes can be overlapped. Use secondary colours.

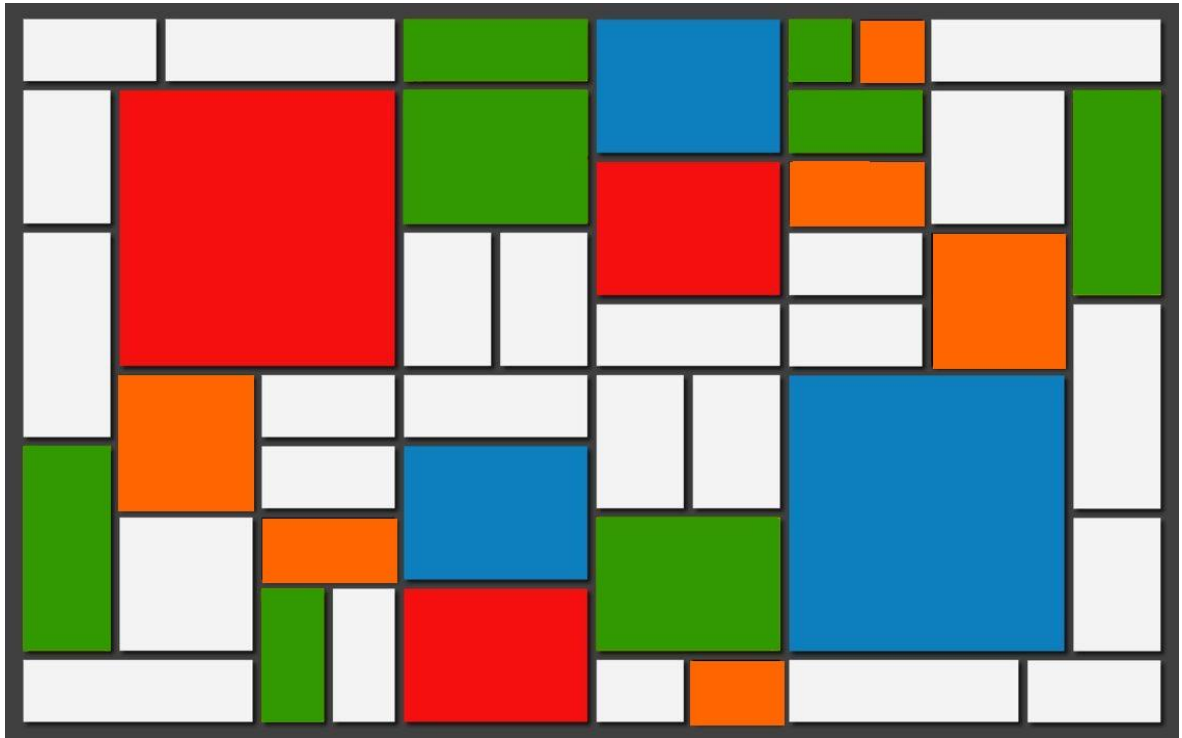

Hint: Principles of Architecture – Symmetry , Repetition

Color: SECONDARY color –Green, Violet and Orange

Refer Page no. 06 and 08

4.9 Using rectangle and square make a composition following complimentary colours scheme with any four colours.

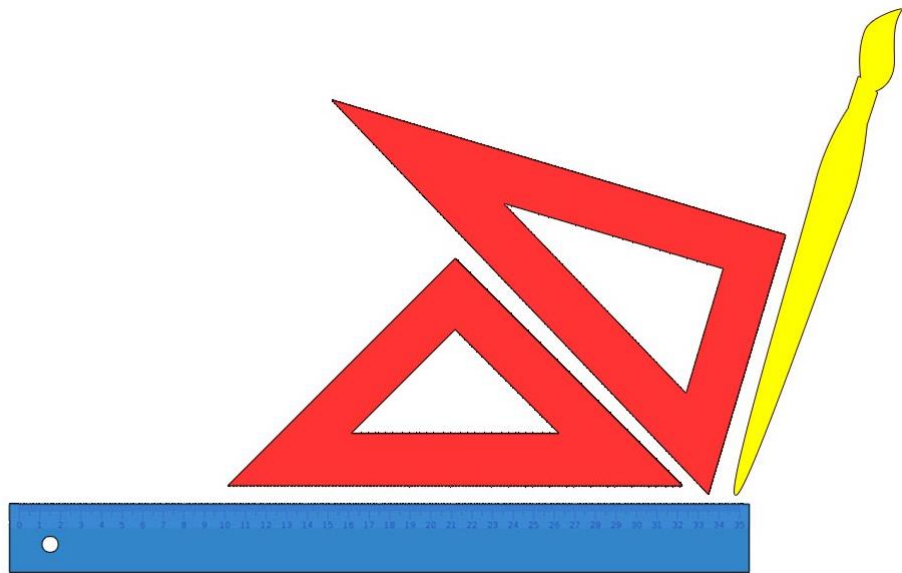

Principles of Architecture : Spiral section.

Color: Complimentary colors – RED & GREEN, BLUE & ORANGE.

Refer Page no. 08

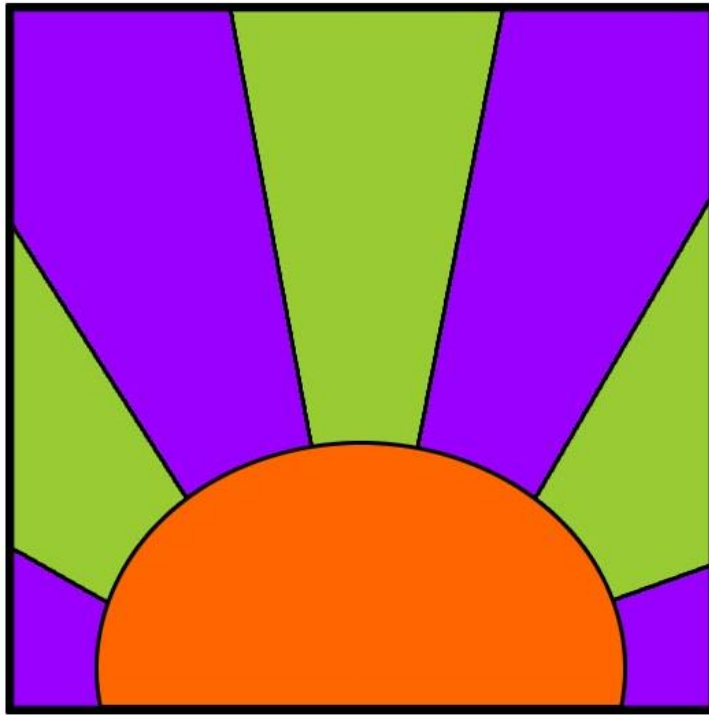

4.10 Make an interesting composition using four drawing instruments and colour the same using primary colours.

Color: PRIMARY COLORS – RED, BLUE and YELLOW .

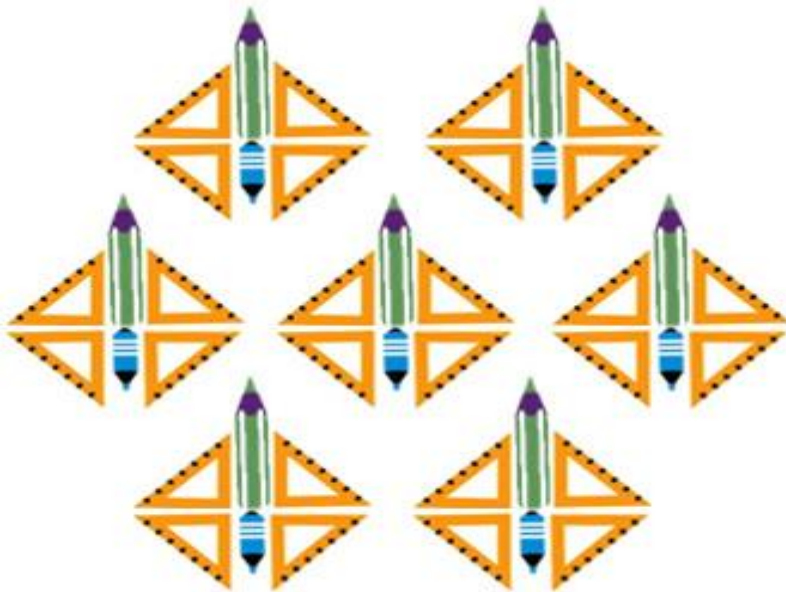

Refer Page no. 08

4.11 Draw a large square and divide the same using 6 straight lines at any angle and one curved line colour the composition using secondary colours.

Color: SECONDARY COLORS – ORANGE, PURPLE and GREEN .
Refer Page no. 08

4.12 Using some drawing material make interesting arrangements use it as a motif or block in a repeated manner to print on a gift wrapping paper to give a theme for stationary item. Repeat the motifs min 4 times. Colour using a colour scheme.

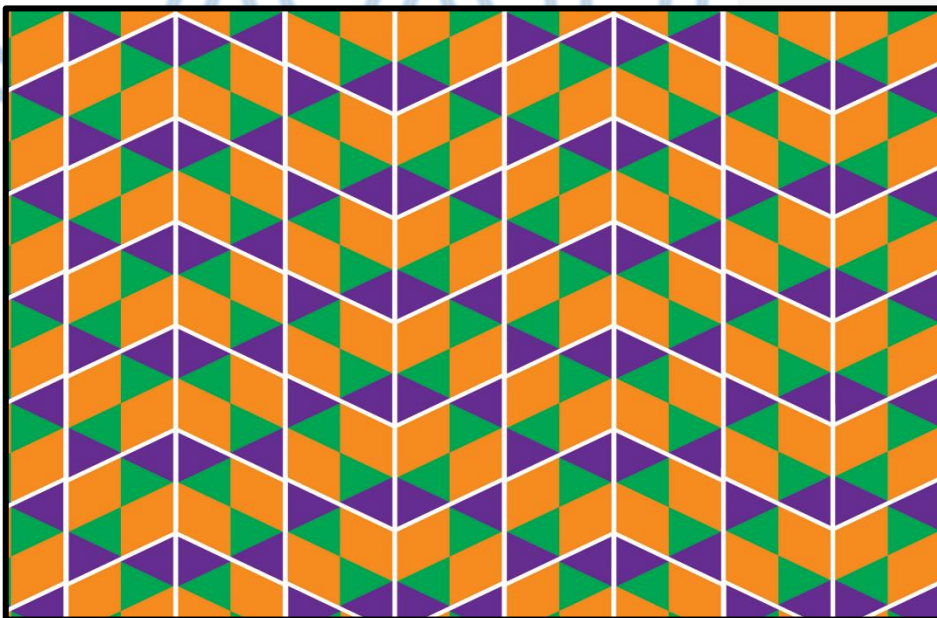

Color: SECONDARY COLORS – ORANGE, PURPLE and GREEN .
Refer Page no. 08

4.13 Use any type of triangle with varying sizes and proportions repeating any number of times to make a composition using any two warm colors.

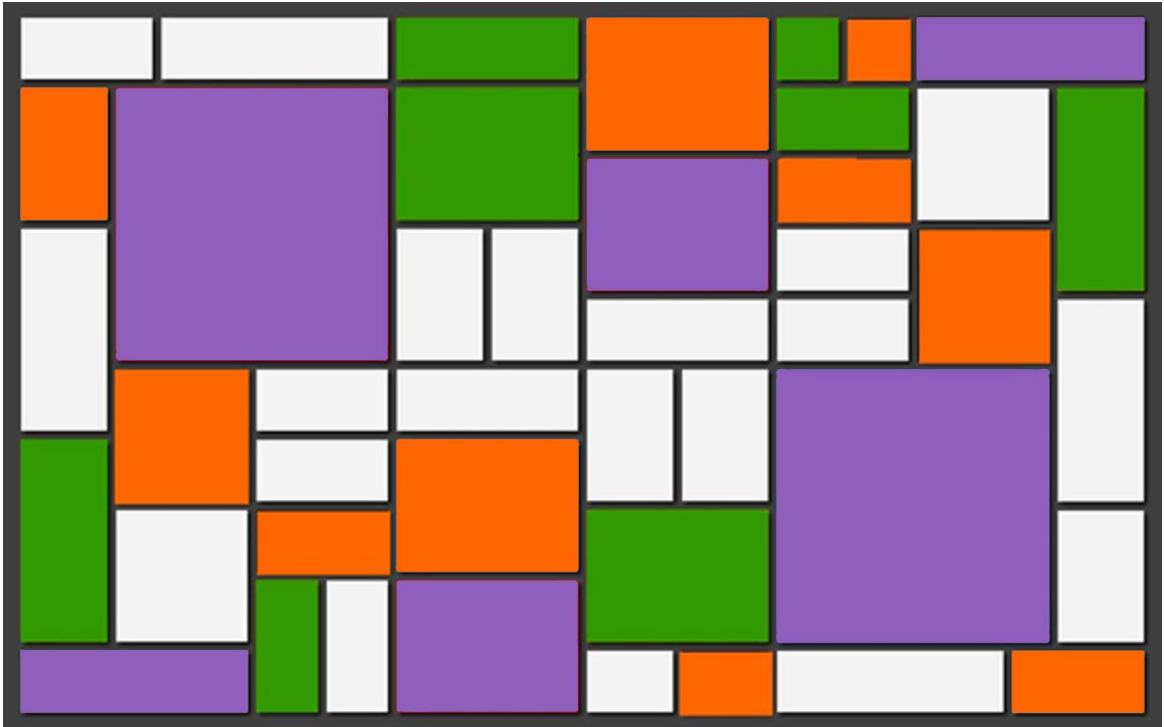

HINT : Principles of Architecture : Repetition, Rhythm
Color: warm colors – Red, Yellow and Orange .
Refer Page no. 08

4.14 Using the given shapes repeating many times. Totally 20 number of shapes. Use TRIAD colors.

HINT : Principles of Architecture : Repetition, Rhythm
Color: Triad– orange, Green and Violet . *Refer Page no. 08*

4.15 Cut rectangular paper in four different pieces of your choice. Use the cut piece and compose a 2D interesting arrangement. Use secondary colours

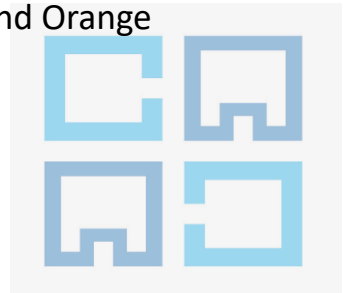

Principles of Architecture : Spiral section.

Color: SECONDARY color –Green, Violet and Orange

Refer Page no. 06 and 08
